## Davey Service Is Economical

Davey Tree Surgeons give you more service per dollar than any untrained or irresponsible men who claim to work more cheaply per hour.

It is not the hourly rate but the quantity and quality of the service

that determine the return for each dollar invested.

Davey Tree Surgeons bring you the experience, the training, the reliability and the efficiency that is necessary if tree work is to be done effectively and at low cost.

### THE DAVEY TREE EXPERT CO.

## Davey Tree Experts Are Trustworthy

People turn to Davey Tree Experts because they are men who can be trusted. They follow definite rules of professional procedure and are held to it by regular supervision and strict organization discipline.

Write or phone the Cleveland Office or the home office in Kent, Ohio, for a free examination of your trees.
